

WAYNE VALLEY'S STUDENT CULINARY COMPETITION

Congratulations to all of our Wayne Valley future chefs for another strong performance in the annual Wayne Valley Student Culinary Competition. A special thanks to Sodexo Food Services for their sponsorship of the event.

In addition to showcasing our students, the competition "served" another great purpose. The Wayne Valley Student Culinary Competition raised \$2,084.75 for the Agnes Hoerner/Ed Grobe scholarship for Consumer Sciences. We had over 300 parents and students in attendance that made it out in the cold to see and taste the student creations, then vote for their favorite.
